## Russian Organized Corruption Networks and their International Trajectories

The seeming empirical problem of criminal networks engaged over time in criminal activities is collaboratively not a problem at all. The new elite were oriented not only toward what was allowed, but also toward what was promising and was at hand: grab everything you can, there is no legal regulation at all.

## Justice Denied: Political Violence in KwaZulu

## Russian Organized Corruption Networks and their International Trajectories

The three-month period preceding the first democratic elections in April 1994 was especially tense; during this period around 1,000 people were killed. Furthermore, residents of Phola Park claimed to have seen the killing of a white man while he participated with Inkatha supporters in an attack on the squatter camp. Once again, it is evident that statistics reveal different facts, depending on what questions are asked.

## Russian Organized Corruption Networks and their International Trajectories

Four small squares are positioned under the church tops that are side by side and attached.
