and now increasing annually by hundreds.

**Vol. 13, No. 1, Jan., 1969 of The American Journal of Legal History on JSTOR**

Harvard's first secular president was John Leverett, who began his term in 1708. Education and Politics at Harvard 1975. The duty is inevitable, and the result of the often proclaimed judicial aversion to deal with such considerations is simply to leave the very ground and foundation of judgments inarticulate, and often unconscious, as I have said.

**The law at Harvard : a history of ideas and men, 1817**

Swisher, Carl Brent Stephen J. It does not follow, because we all are compelled to take on faith at second hand most of the rules on which we base our action and our thought, that each of us may not try to set some corner of his world in the order of reason, or that all of us collectively should not aspire to carry reason as far as it will go throughout the whole domain.
