The Basement: Meditations on a Human Sacrifice: With a New Introduction by Kate Millett

It is a book to be read in small doses, but it is very, very good--and Millett's courage in plunging into the possibilities and implications is.

The Basement: Meditations on a Human Sacrifice : with a New Introduction

I had to read this book in speedy spurts; while I wanted to get through it as quickly as possible, I could only take so much at a time.

The Basement: Meditations on a Human Sacrifice : with a New Introduction

On October 26, 1965, the body of a sixteen-year-old girl named Sylvia Likens was found on a dirty mattress in a basement in Indianapolis, Indiana.

The Basement: Meditations on a Human Sacrifice eBook : Millett, Kate: mikhmon.us.to.au: Kindle Store

The fiction part comes from the author writing what she thought some of the key players, mostly Sylvia, Gertrude, and Paula were thinking during the entire time from the beginning up to Sylvia's death. I really can't explain how mad I was as I was reading this book, so I guess the author did a

wonderful job, but I really wish I didn't know about what happened in this book. There is a publisher's logo stamped on the bottom page tips.

The Basement: Meditations on a Human Sacrifice

. The entire book is like a case study based on speculation. Starved, mutilated, covered with cigarette burns, the victim had been imprisoned and tortured to death by a gang of teenagers led by a woman named Gertrude Baniszewski, in whose care Sylvia and her younger sister, Jenny, had been left while their parents went off to work the state fairs in the Midwest.
