First Edition stated, First Printing.

**Bernardo de Gálvez (July 23, 1746 — January 30, 1786), Spanish military leader, colonial administrator**

Returning en route to New Orleans from the east coast, he stopped at Pensacola, observing much British naval activity that proved useful to the Spanish. By mid-1775, all of the information from the rebellious colonies had permitted the Spanish king and his ministers to craft a well-reasoned, official foreign policy and international response to the American Revolution.

**Spain in the American Revolution • FamilySearch**

Of the 2, go with the latter. When these were not forthcoming promptly, he went to Havana in person and, as the nephew of the colonial secretary, got what he wanted.

**Spain and the Independence of the United States : An Intrinsic Gift by Thomas E. Chávez and Thomas E. Chávez (2004, Trade Paperback) for sale online**

The western grouping includes Texas, , Arizona, and California.

**Flórida Ocidental britânica**

There are amazing links that open and reveal as side of the Revolution that makes it bigger. Louis and as far north as Michigan, along the Gulf Coast to Mobile and Pensacola, as well as in Europe. Yet it would be reckless or insouciant to deny that Haitian Creole evolved from a pidgin within colonial Saint-Domingue, even were one to contend that a majority of the slaves there were once Kongo speakers.

### **Jessica DeJohn Bergen**

Used books are in standard good condition, with some shelfwear and creasing on paperback spines possible. Both the governor of Louisiana and the Captain-General of Cuba sent additional agents to various locations on the Atlantic coast to gather information about the revolt.

### **Jessica DeJohn Bergen**

In 1779 he took Baton Rouge, Manchac, and Natchez on the east bank of the Mississippi, and in 1780 and 1781 respectively Mobile and Pensacola on the Gulf. But the very existence of creole languages contrasts with the importance of African lexical items, because it signals the absence of an earlier lingua franca in such societies where creole languages took that role.
