The Path of Purification: Visuddhimagga by Bhadantacariya Buddhaghosa, Paperback

The signless aspect of nib- bana is not created by the path or by insight; on the contrary, it is the establish- ment of the individual essence of nibbana, and the path is called signless because it has that as its object. Colombo, Ceylon: Government of Ceylon Press, 1971.

Path of Purification Visuddhimagga

I offer my prayers that readers, wherever they are, may find in it advice and inspiration to develop that inner peace that will contribute to creating a happier and more peaceful world.

The Path of Purification: MP3 Visuddhimagga Talks

XVI, note 23 ' Pm. Arahants were scarce in the Island, and if there were some they would have been in remote regions.

Visuddhimagga (The Path of Purification)

The argument introduced here that, since self is a non-existent myth, therefore nibbana the unformed dhamma, the truth of cessation is void of self atta-sunna is taken up in the Sad- dhammappakasini Hewavitarne Sinhalese ed.

The Visuddhimagga and Vimuttimagga in PDF / Free Download

For this, 'uneasiness' would certainly be preferable 'ill' is sometimes used , but multiplication of renderings is to be avoided as much as possible; local accuracy is only too often gained at the cost of general disorientation in a work of this sort, with these very general words capable of sharp focussing.

Visuddhimagga (2010 edition)

What he thinks about he diversifies papanceti.
