### Why Does The British Royal Family Exist & What Are The Arguments Against It?

This is why people come to Britain and invest in Britain. If the government truly believes in the importance of scrutiny, they will not continue to deny the British people the right to have their voices heard. The Government has ended the hybrid Parliament and called on MPs to return to Westminster from next week.

### Brexit is destroying music. Why has the government let this happen?

Apart from that, they primarily traded in silk, cotton, indigo dye, tea and opium. British taxpayers fund the royal family through the annual Sovereign Grant and Sovereign Grant Reserve, which totalled £82.

### Why Does The British Royal Family Exist & What Are The Arguments Against It?

The biggest problem was to keep the propertyless people, who were unemployed and hungry in the crisis following the French war, under control. The party of the millions was transformed into a party of the millionaires, responsible for inequality going through the roof as it eagerly attached itself to the coattails of big business, the City, and media barons such as Rupert Murdoch.

### How the government helps keep people poor

In Boston, the lower classes began to use the town meeting to vent their grievances.

### Why Britain needs a written constitution

Even and Azerbaijan — countries with less than stellar human rights records — are part of the Convention. The Liberals were concerned about the growing popularity of the new Labour Party.
