## William E. Castle Papers :: American Philosophical Society

The last of his 242 scientific papers was published in 1961 at the age of 94. Hearst in his long and not laudable career has inflamed Americans against Spaniards, Americans against Japanese, Americans against Filipinos, Americans against Russians, and in the pursuit of his incendiary campaign he has printed downright lies, forged documents, faked atrocity stories, inflammatory editorials, sensational cartoons and photographs and other devices by which he abetted his jingoistic ends.

## William Randolph Hearst Biography

His character mixed a superficial Enlightenment sensibility for reason and taste with a genuine and somewhat romantic love of the sublime and a propensity for occasionally puerile whimsy.

## Castle William R, Used

His power and vision allowed him to pursue one of the most ambitious architectural endeavors in American history, the result of which can be seen in magnificent grounds and structures of Hearst Castle. Young Hearst's journalistic career began in 1887, two years after his Harvard expulsion.

## Diplomatic Realism: William R. Castle, Jr., and American Foreign Policy, 1919

Castle was born in 1867 near Alexandria, Ohio, the son of William Augustus Castle and Sarah Fasset Castle.

## William Randolph Hearst Biography and Profile

In the next ten years, however, Hearst's funds and the empire suddenly ran out. Cooney; Impossible Riddles by Bernard H. Despite the length and importance of his career, the geneticist William E.
