Every confederate common soldier-statue in the courthouse square is a memorial to the dead, often paid for and erected by the United Daughters of the Confederacy. Lawrence Write hasn't done any justice to Texas, not because of his consistent references to trivial political aspects of the state, but because of his inability to recognize the culture that is beyond the obvious. Anyone with an interest in Texas or US politics will enjoy it very much.

Catherine's Congress passed a law forbidding any white person from setting foot on the island. While Texans are generally nice people, and won't be easily offended, it's worth repeating: Tex-Mex food is most definitely not the same as Mexican food, a point locals will be all-too-happy to point out. Made with strict adherence to US government standards in the same factory since 1977.
