## Economic Data

To request a copy of the complaint form, call 866 632-9992. Persons may pick up food at only one location in their community.

## Demographic and Economic Profiles of Kansas' Electorate

It could be as early as the next transaction. Cropland rental rates increased the most in the Southeast up 5.

## KGS

Survey findings and related research should provide local water managers with useful information to effectively plan for and manage during drought conditions, and inform the analysis of federal and state water conservation and infrastructure investment activities at NRCS, USGS, Bureau of Reclamation, and other agencies with water resource management and data responsibilities.

## USDA ERS

United States Kansas Fed Manufacturing Index - data, historical chart, forecasts and calendar of releases - was last updated on February of 2021. Class size will be limited so sign up soon to save your spot! Over the last several decades, many aspects of local water management institutions have changed, including the number and size of irrigation organizations, the pricing structures used for cost recovery and the reliance on new sources of water quantity data, with an expanded emphasis on groundwater management. At the same time, shipments, new orders, employment, and employee workweek indexes rose faster than in September, but order backlog and supplier delivery time increased at a slower pace.

## State

Exempt services are not included. A majority of Republicans 76% continue to hold unfavorable views towards the law, while eight in ten Democrats 80% and a majority of independents 55% hold favorable views of the ACA.

## **Surveys & Data**

About a third 34% of all adults say they or their spouse lost a job or had their hours or income reduced as a result of the coronavirus outbreak. Many hospitals and medical care providers closed for non-emergency services and many patients with non-emergency conditions postponed or cancelled appointments.

### **KGS**

We will never share or sell your info. The survey monitors about 300 manufacturing plants selected according to geographic distribution, industry mix, and size. Households in 2019, Featuring Supplemental Data from April 2020 Abstract: This report describes the responses to the 2019 Survey of Household Economics and Decisionmaking SHED as well as responses to a follow-up survey conducted in April 2020.
