Why have there been so few women elected in Ireland since 1918?

Photograph: James Connolly In July 2016, 14 women from different backgrounds attended a dinner party in Co Sligo. We hear from both sides of the argument.

'Very British Rebels': Politics and Discourse within Contemporary Ulster Unionism

This comparative study is based on a qualitative analysis of both primary and secondary sources, such as policy documents, memoirs, a documentary film, relevant academic publications and interviews from key women peace activists in Northern Ireland and in Korea. In addition, council meetings throughout the 1980s would often be used by political parties to argue out their constitutional differences rather than focussing on the relevant issues of local politics — the symbolic value of politics in Northern Ireland helps to explain the paucity of women.
