

Candle in her heart

Hale - Candle in Her Heart by Emilie Loring

Our Story

Koko's Candles is locally owned and operated by Janeen Kokodynski in Scottsdale, Arizona. After losing her one month old son, Matthew, to a congenital heart defect in 2005, Janeen worked tirelessly with the Children's Heart Foundation. In 2017, she combined her love of candle making with her commitment to this nonprofit and Koko's Candles was born.

At Matthew's funeral, hammered pewter hearts were passed out. Janeen knew that she wanted to incorporate these hearts into her candle line, so before each candle is poured, a pewter heart is placed at the bottom. As the candle burns down, the heart is revealed and can then be removed and used as a pocket charm - a reminder that you are loved ❤️
