Such problems are related to historical patterns and political interests that have shaped federal health structures, but they are not being addressed by the present management structure for health activities in DHHS.

Federal :: Guidance for Grants and Agreements

Revise appendix A to part 25 to read as follows: End Amendment Part Appendix A to Part 25—Award Term I. OMB disagrees with this commenter's recommendation, as the purpose of this change was to further align implementation of FFATA, as amended by DATA Act, between the Federal financial assistance and acquisition communities.

Evaluating Welfare Reform in the United States

An adequately sized and appropriately trained workforce performing competently is an essential element of the public health infrastructure.
