The History of Abbey of Montecassino

Benedictine monastery; secularised 1798; re-established 1803. Made of red granite, its height is an impressive 25.

Difference Between Abbey and Monastery

As they considered various options for expansion, they realized that their Boulder location, by this time on a busy highway and surrounded by subdivisions, was not the right place to build a new monastery.

Historic Bath

The beautiful abbey ruins of North Yorkshire Henry VIII is perhaps most infamously remembered for his treatment of his six wives. The Pub takes its name from the world renowned Irish National Theatre, which was founded by William Butler Yeats and Lady Gregory in 1903.

Historic Bath

However, it was the infamous Battle of Monte Cassino, on the 15th of February 1944, to embody the bloodiest and most tragic of all destructions.

Historic Bath

The Abbey Theatre offers Irish, Italian and international cuisine All day everyday.

Historic Bath

They would grow crops and raise animals to feed themselves and create profit from a trade, the land they owned and tenancies.

Abbazia delle Tre Fontane, Rome

Cistercian monastery, taken over and made Protestant by Württemberg. Chapter of the Kaiserdom in Frankfurt. Abbazia delle Tre Fontane

Abbey of the Three Fountains is an abbey in Rome.
