### Criminal Justice in Early Modern Russia

Теория и практика всеобщего избирательного права. Огромная роль в развитии и пропаганде народно-инструментального искусства принадлежит В. Единственными носителями инструментального средневекового искусства в России были народные музыканты-универсалы, которых с конца X в.

### **Biographical Sources for Russia**

This approach seems to us to be correct in view of the fact that the Constitution implies the development of not only the normative legal basis of the legal system of the state and society, but also the program, strategic, reflecting the political, ideological and ideological essence of the basic law of the country. The English translation is in Sidney Harcave, First Blood: The Russian Revolution of 1905 New York: The Macmillan Company, 1964 , pp.
