## Recent Additions

Records relating to grazing and range management, 1935-66; to grazing hearings and appeals, 1937-71; and to range conservation and improvement, 1941-63. Records of the Coos Bay District Office, including forest inventory and timber sale records, right-of-way and easements for timber access roads, 1951-72; public relations files, 1973; and final report of youth conservation program, 1980. The South's musical history actually starts before the Civil War, with the songs of the African slaves and the traditional folk music brought from and.

## George Thomas Jackson

Established in 1795, it is the second-oldest of Maine's coastal lighthouses, and the only lighthouse in the state housing a first-order Fresnel lens. Records of the Regional Division of Ranger Services, San Francisco, 1916-60.

## Canton, Ohio

The regional office then, at a later date, transferred the records to the National Archives facility, either records center or archives, in that agency's region with responsibility for the state in which the NPS regional office was located. Would be quite nice matted and framed.

## Index of Modern Manuscripts about Business

They whispered 'round and left, and many followed them; but many remained and most attentively listened to my speech, and when the Republicans cheered at the close of it very loudly and the ladies rose and waved their handkerchiefs, many of the outsiders joined in lustily.

## The Ohio River

Knowing the Democratic strength of Monroe, no Republican candidate offered himself. Kapp thought the time was not appropriate, and advised his countrymen to wait until the different Republican State Conventions, shortly to be held, should have had an opportunity to express their views on this important question.

## **Canton, Ohio**

Missing hook and cap for oil reservoir, which is often the case but otherwise complete inside and out.

### **History Matters Search**

In 1950 the western boundary of Region 6 was extended to include IA and MO from Region 3 and AR and LA from Region 5. Records of the Project Applications Section, Development Division, including general records, 1935-43; inspection reports, 1934-39; records relating to active and abandoned CCC camps, 1934-44; and camp program memorandums, 1933-42.
