## 33 CFR § 2.30

Shipping and fishing are the main areas of the sea.

### The Exclusive Economic Zone as a Concept in International Law on JSTOR

The broad standards for fisheries conservation in and management of the EEZ where most fishing takes place laid out in the 1982 convention have been supplemented by nonbinding guidelines contained in the Code of Conduct for Responsible Fisheries adopted in 1995 by the UN.

### Exclusive Economic Zone [EEZ]

Foreign flag ships enjoy the right of innocent passage while transiting the territorial sea subject to laws and regulations adopted by the coastal State that are in conformity with the Law of the Sea Convention and other rules of international law relating to such passage. Where appropriate, lists of geographical coordinates of points, specifying the geodetic datum, may be substituted for such outer limit lines or lines of delimitation.

### Exclusive Economic Zones (EEZ) Fisheries

The US is a maritime power, and freedom of navigation is fundamental to US global policy. In colloquial usage, the term may include the continental shelf.

## 33 CFR § 2.30

After this judgement, there was a huge criticism and after the formation of the United Nation, certain changes were brought in the Flag State rule. France was awarded 18% of the area it had originally claimed.

### The Exclusive Economic Zone

One of the first assertions of exclusive jurisdiction beyond the traditional territorial seas was made by the United States in the Truman Proclamation of September 28, 1945. Fundamental Perspectives on International Law, 5th edn. This is the essential qualification between internal water and

territorial seas.

### **The Exclusive Economic Zone**

The waters and airspace of this area are open to use by all countries, except for those activities prohibited by international law e.
