Being Human: Human Computer Interaction in 2020 by Richard Harper

My prediction would be not that users will just have thousands of computers per person, but that all of these will be talking to each other as well. Dubbed Big Board, the display, which is free to use, allows users to download information to their mobile phones about a range of topics including politics, health and even university lectures.

Being Human: Human

Losing control The ever-present network will channel mass market information directly to us while disseminating our own intimate information. At the launch of the report some of the authors showed off the types of technologies that could bring the human back into the equation. Will it bring us closer to the world around us? David Feherty A budget tells us what we can't afford, but it doesn't keep us from buying it.

BL4: Being Human

It will take you wherever you wish, but it will not replace you as the driver. The iPhone and iTouch also connect wirelessly with their impressively small size. Ketabton gives you access to thousands of books.

Being Human (Human

Digital storage of even more aspects of our lives, from mobile phone calls to CCTV footage, could be a reality by 2020 and, in combination with an omnipresent network will mean privacy will be a key focus of the HCI community.

BL4: Being Human

Being Human - Microsoft HCI report Boundaries between humans and computers will become blurred over the next decade as devices are embedded in objects, our clothing or, in the case of medical monitoring, in our bodies. Although paper will still be a reality in 2020, digital paper will also flourish allowing us to create, for example, social network magazines that update in real time. .

Being human : human

Must to read it if you are awarding to what HCI may evolve for the next years and also as a complementary introduction for all the people interested in UX issues, as well. Classical user-centred design and research comprised of study, design, build and evaluate the new technology. Dax Shepard Wealth consists not in having great possessions, but in having few wants.
