Natural Language Processing

In this book, as in many traditional grammars, all determiners except a, an and the are classed among adjectives. It is also why speaking and listening are as easy as falling off a log. There are twenty boys in this class.

Grammar

India expects --- man to do his duty.

Natural Language Processing

India is the largest democracy in the world. ORDER OF WORDS -- 285-287 Exercises 117-118 -- 286 24.

To the brain, reading computer code is not the same as reading language

The ship sustained heavy damage.
