NY Daily News

But in New York City—like so many aspects of living here—the school system is very complicated. Parents are notified of their placement in March.

NY Daily News

Now, when I toured it for my son, half the kindergarten class was kids of color.

NY Daily News

Usually a group or individualized tour is followed by an interview with the parents. Each charter school sets its own application deadline, but most require that applications be in before April 1st.

NY Daily News

In general, the process works like this: To keep your options open, you apply to several different schools you can list to up to 12 schools and you do this on one single application. You may find that the school you are zoned for is under performing and you wish to send your kid to an alternative option.

New York Public or Private Schools

Before enrolling your kid in school, do some research about the school options in your area.

New York City's Best Public High Schools: A Parent's Guide

Students who are eligible for enrollment will receive an application to apply when they receive their scores. Assignments are released at late April or early May.
