# The Boy That I Used to Be

Yeah, I like causing trouble. It's the teddy boy in me. I used to be a teddy boy. Feeling slightly inferior and wanting to cause a bit of bother and get some action going on in the room rather than get bored stiff.

So now here I am, with a little over a week until Valentine's Day with absolutely no idea what to give my boyfriend. Missing all the things we did.

To The Boy I Ran Away From, You Deserved Better Than Me

I normally can tell if someone is a player however I am lost with this guy.

Thank God I'm Not The Man I Use To Be

Its making me like him! I have changed virtually all my ways just to satisfy my partner, but still no satisfaction.

To The Boy I Ran Away From, You Deserved Better Than Me

His brother pats his head, and Tommy leans into the very touch. We could all use some of that. She said that my video really helped her realize what he was going through, and in the shortest amount of time — five minutes!.

Things I Know to Be True

You are with your partner and have been maintaining a committed relationship with him for three years. I felt like I was being trapped when that wasn't what you were doing at all. Dream doesn't miss how Tommy's voice grows hoarse, or how his normally bright blue eyes seem to dim and haze over as if he looks lost.

If you see the boy I used to be (could you tell him that I'd like to find him?)

I guess I am saying all this, because your story really put a lot of things into perspective.
