Beltway and applies it to business in a way that marketers seeking to communicate more effectively and succinctly to their customers will appreciate.

Cases in Marketing Management

Hij laat het bij instructies over hoe het goed te beschrijven. Those on his side love him and those who oppose him hate him for how effective he is.

Marketing Management

In Writing Effective Use Cases, Alistair Cockburn offers a hands-on, soup-to-nuts guide to use case development, based on the proven concepts he has refined through years of research, development, and seminar presentations.

Marketing Management

Easier said than done… People are being asked for their attention and money all the time, and add a wrinkle to an already complicated and saturated competition for consumer attention. Hij werkt daarbij graag met praktijkvoorbeelden van deelnemers. Kennis van UML of programmeren is niet nodig.

Case book to accompany Basic marketing : a global

Traditional advertising was aimed at capturing attention. Cockburn shows how use cases fit together with requirements gathering, business processing reengineering, and other key issues facing software professionals.
